Cameron Tuttle : The Bad Girl's Guide to Getting What You Want before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bad Girl's Guide to Getting What You Want:

1 of 1 people found the following review helpful. Hilarious!By Lisa S.This book had me laughing out loud for almost the entire book! There's advice on everything from what to do with pantliners (I'm laughing even now) to 10 things to do with your boss's business card. (I just got laid off, so the latter was of particular interest to me). Of course, if you actually DO some of these things, you need your head examined. This book is great fun for any woman with common sense who needs a laugh.0 of 0 people found the following review helpful. Bring out your Bad Girl!By MobettaMy girl friends and I had a field day with this book. Our dorm room was packed with all of us trying to answer the questions at the same time. It is an awesome book to open yourself up to your other side. If you lack confidence get this book. It helped me a great deal.0 of 0 people found the following review helpful. great bookBy KarlosGuei picked this book up and knew right away that i needed to get it for a special bad girl. watch out tho if you give this to a woman and have a problem with empowered women...

This hilarious follow-up to the wildly popular *Bad Girl's Guide to the Open Road* is the ultimate guide to getting it—anything and everything—in Bad Girl style. Delayed gratification is a thing of the past with this inspired collection of tips and tricks for scoring love, fame, money, power, parking spaces, and other essentials. With sure-fire schemes for everything from free food and airline miles to insider lingo for paving pesky resume gaps, *The Bad Girl's Guide to Getting What You Want* shows how to fake it fabulously. But spin and strategy are just the beginning—the truth can be an even more wicked weapon. Learn the secrets of men's hair, the landlord's Achilles' heel, and the maitre d's darkest desires, and the dream date, great apartment, and best table are yours! Racy bad-girl confessions and edgy illustrations make this indispensable volume even dishier. Ethics are overrated—it's the results that count! Pack this sassy package in your purse and knowing what you want is as good as getting it.

.com Deep down, every woman wants to be a Bad Girl. But after living a life of sweetness and light, it's sometimes difficult to stray from the path. Cameron Tuttle (author of the riotously funny *Bad Girl's Guide to the Open Road*) points the way in *The Bad Girl's Guide to Getting What You Want*. Tuttle offers up tips to help even the saintliest soul find her inner Bad Girl--and then use that power to get better dates (date yourself for a while first, until you're ready to dive in the dating pool); a better job (don't just settle for job satisfaction, aim for "job jubilation, job nirvana, job titillation"); and better parking (pray to Gladys, the universal parking goddess). With its sassy, iced-lavender cover--just the right size to slip into your purse--the Guide is jam-packed with practical and not-so-practical-but-funny advice, including excellent answers to one of life's most pressing questions: What do you do with old bridesmaid dresses? "Drench with ketchup and dress up as Carrie for Halloween"; "Sew into board bags for your snowboard and surfboard"; and, best of all, "Make your bridesmaids wear them in your wedding." Remember: it's great to be a girl, but it's even better to be a Bad Girl. --Sunny "Bad Girl" DelaneyAbout the AuthorCameron Tuttle is a freelance writer in San Francisco, California. Since writing this book, she rarely ventures outside.
