The mystical role of beer is explored in this humorous satire that promises ecstatic bliss, immortality, wisdom, and

freedom from the hangover. Readers follow a step-by-step guide that takes them on a quest for The Holy Ale, a sacred beer that flows from the Font of All Wisdom and bestows infinite knowledge, immortality, and instant enlightenment. If initiation is survived, readers meet the Beer Guru himself, the Dalai Llager, the Beer Goddess, and the Barmy Swami. Teaching how to master the art of Tantric Beer drinking and how to create a Beer Temple, the central theme of this sacred scroll is that drinking beer is a religious experience.
