Bernie Siegel : The Beginner's Guide to Humor and Healing before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Beginner's Guide to Humor and Healing:

0 of 0 people found the following review helpful. Humor is the best medicine By star I love all of Dr. Bernie Siegel's books and cds .5 of 6 people found the following review helpful. IF YOU CARE ABOUT YOURSELF OTHERS, YOU NEED THIS! By Tami Good I have purchased this in cassette and cd form (twice), a download --- and others beg soft-touch me to let them borrow it and then to allow them to loan it out, so after another disappearance, I will be purchasing two MORE copies, and one will not be allowed to leave the house! You will laugh a lot, cry some, and find hope and a special peace, no matter what you or your loved ones situation is. It is likely to change your life (I am serious). 0 of 2 people found the following review helpful. Laughter By rev t A great cassette tape, delivered right on time

When Dr. Bernie Siegel tells a joke, it's not only funny, it's good medicine. Now this pioneering physician and author of the New York Times bestseller *Love, Medicine, and Miracles* uplifts our hearts and tickles our funny bones once more, with *The Beginner's Guide to Humor and Healing*.

About the Author MD Bernie Siegel Bernie Siegel, M.D., is a physician, professor, and bestselling author. Since 1962, Dr. Siegel has served as a surgeon in private practice, and is also a clinical assistant professor of surgery at Yale University Medical School. His group therapy work with Exceptional Cancer Patients over the past decade has led to new findings about the symbolic and hidden aspects of terminal illness. Some of his many publications are *Prescriptions for Living*; *How To Live Between Office Visits*; *Peace, Love and Healing*; and *Love, Medicine and Miracles*.
