Some of the pieces go back to 1921, but if you think they're dated, you don't know your Benchley! This is a collection of 2 to 4 page columns, and until you've read "Take The Witness", "From Nine To Five", and "Ask That Man", you haven't learned to laugh! I bought this when my original copy wore out.0 of 0 people found the following review helpful. an old favorite rediscoveredBy Kevin Johnsonjust as I had hoped it would be. Great condition.
