1 of 1 people found the following review helpful. Best Black Cat Book EVER!!!By Tee 'n' the WildlifeAbsolutely adorable! To think that a little black celebrity cat and his dedicated photographer mommy live just 90 miles from me and my little black cat! And friends of mine with THEIR little black cat! Needless to say THEY got this book for Christmas and I gave myself one, too! My little black cat's surgeon will get one, too, for saving her young life with a very delicate operation. I look at this charming little book every few days and I laugh every time! Every time I look at AC (what a personality!) I find something new in the photos or in his amusing little kitty face! Five stars! Ten stars! A million billion stars for AC!1 of 1 people found the following review helpful. Five StarsBy Tiffanie T.Cute book :)1 of 1 people found the following review helpful. About the AuthorKATE FUNK lives and works in Milwaukee, WI with her kitty sidekick, AC. She earned her BFA in photography at the Milwaukee Institute of Art and Design. She now spends most of her time making cat costumes, dreaming up scenes, and spray painting sets, all while ingesting copious amounts of sugar and watching far too much television. When not posing for pictures, AC spends his days napping, giving the stink eye to anyone who disrupts his naps, and getting tummy rubs from Kate.
