for Engineers (and architects with a sense of humor)

If you've ever heard a Jewish, Italian, Libyan, Catholic, Irish, Mexican, Polish, Belgian, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Audiologist jokes is for you. In this not-so-original book, *The Best Ever Book of Audiologist Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who*, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. *The Best Ever Book of Audiologist Jokes* is so unoriginal; it's original. And, if you don't burst out laughing from at least one Audiologist joke in this book, there's something wrong with you. This book has so many Audiologist jokes; you won't know where to start. For example: Why do Audiologists wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. \*\*\* An evil genie captured an Audiologist and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Audiologist brought a car door, because if it got too hot she could just roll down the window! \*\*\* Did you hear about the Audiologist who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." \*\*\* Why do Audiologists laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.

About the Author Mark Geoffrey Young is an American-Australian writer, journalist, broadcaster and humorist who has written hundreds of books, articles and stories for magazines, newspapers and radio stations around the world.
