gift for my uncle a few years ago (who is a conductor) and he still loves it! 1 of 1 people found the following review helpful. Outstanding and very funny. By STL3653 Very funny. I'm polish so the jokes really hit home. 0 of 0 people found the following review helpful. How do I give this zero stars? By David SI looked at the preview of the book. Not funny. Just recycled polish jokes. The same jokes can be told with Christians instead of Atheists.

If you've ever heard a Jewish, Australian, Italian, Irish, Australian, Libyan, Catholic, Mexican, Australian, Australian, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Australian jokes is for you. In this not-so-original book, *The Best Ever Book of Australian Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who*, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. *The Best Ever Book of Australian Jokes* is so unoriginal, it's original. And, if you don't burst out laughing from at least one Australian joke in this book, there's something wrong with you. This book has so many Australian jokes, you won't know where to start. For example: Why do Australians wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** An evil genie captured an Australian and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Australian brought a car door, because if it got too hot she could just roll down the window! *** Did you hear about the Australian who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." *** Why do Australians laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
