found this book to be very distasteful. I thought it was more about actual bowling but it wasn't. The book I currently have is called 'Pins and Needlers', The Funny World of Bowling by Steve Cruchon, Bruce Pluckhahn, and Chuck Pezzano. That is the type of bowling book I'm looking for. The book is junk as far as I'm concerned. 0 of 0 people found the following review helpful. Don't waste your money on this! By ScorpioSeven This book is nothing more than a lousy re-telling of jokes that previously could NOT be told, because they insulted some ethnic group. In other words, take a joke about Mexicans or Blacks, then substitute the words "Prison Guard," and you suddenly have a joke that insults a specific occupation, rather than some minority. Big deal... Spend your hard-earned money on something else (like your sister's abortion), rather than this un-original piece of garbage. 1 of 1 people found the following review helpful. Comedy Failure By Justin Vulgar jokes in this book, not appropriate for anyone other than family or close friends. I was horrified when I finally thumbed through the book right before I gifted it. Really had jokes that would be offensive, calling mail carriers stupid or mocking them. Really, the "jokes" were terrible.

If you've ever heard a Jewish, Blond, Italian, Irish, Blond, Libyan, Catholic, Mexican, Polish, Australian, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of bowling jokes is for you. In this not-so-original book, The Best Ever Book of Bowling Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. The book of bowling jokes is so unoriginal, it's original. And, if you don't burst out laughing from at least one bowler joke in this book, there's something wrong with you. This book has so many bowler jokes, you won't know where to start. For example: Why do bowlers wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** A bowler and his wife were sitting around the breakfast table one lazy Sunday morning. The Bowler turned to his wife and said: "When I die, I want you to sell all my stuff." "Why would you want me to do that?," asked his wife. "I figure that you'll eventually remarry, and I don't want some asshole using my stuff," replied the bowler. The bowler's spouse said: "What makes you think I'd marry another asshole?" *** Did you hear about the bowler who wore two jackets when he painted his house? The instructions on the can said: "Put on two coats." *** Why do bowlers laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
