If you've ever heard a Jewish, Italian, Irish, Libyan, Catholic, Mexican, Polish, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Chemist jokes is for you. In this not-so-original book, *The Best Ever Book of Chemist Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who*, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. *The Best Ever Book of Chemist Jokes* is so unoriginal, it's original. And, if you don't burst out laughing from at least one Chemist joke in this book, there's something wrong with you. This book has so many Chemist jokes, you won't know where to start. The Chemist brought a car door, because if it got too hot she could just roll down the window! *** Did you hear about the Chemist who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." *** Why do Chemists laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it. ***
