Yes, there can be funny ways to make fun of a profession without being nasty. Get any book that makes fun of a religion/ethnic group and direct towards a chiropractor, that's the jokes you will see. Not original at all.0 of 0 people found the following review helpful. kindle download unreadableBy Gary and Melodie EysterThe content that was downloaded is just long strings of letters with occasional words. There is a definite problem with the content. See attached screen grab3 of 3 people found the following review helpful. ToxicBy Craig HindsonPretty toxic little book. Offensive. Not clever at all. There wasn't a zero star rating.Not worth the time to have a free look inside but as I wasted 5 minutes of my life doing so, thought I'd spend a few minutes to do give a few words to try and avoid you wasting your life.

If you've ever heard a Jewish, Italian, Irish, Libyan, Catholic, Mexican, Polish, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Chiropractor jokes is for you. In this not-so-original book, The Best Ever Book of Chiropractor Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. The Best Ever Book of Chiropractor Jokes is so unoriginal, it's original. And, if you don't burst out laughing from at least one Chiropractor joke in this book, there's something wrong with you. This book has so many Chiropractor jokes, you won't know where to start. For example: Why do Chiropractors wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. \*\*\* An evil genie captured a Chiropractor and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Chiropractor brought a car door, because if it got too hot she could just roll down the window! \*\*\* Did you hear about the Chiropractor who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." \*\*\* Why do Chiropractors laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
