The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Civil Engineer brought a car door, because if it got too hot she could just roll down the window! \*\*\* Did you hear about the Civil Engineer who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." \*\*\* Why do Civil Engineers laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it. \*\*\*
