found the following review helpful. Great joke book
By A. Gupta
I have put this book in the reception area for my patients. It is very popular among them and they get a few chuckles before seeing the dentist. The jokes are generic to dentists and lawyers but are a good laugh.

By Fred Stahl
Don't waste you money. The cover says "Repurposed." Yep. Took jokes about dumb people and swapped in "dentist."
Took jokes about evil lawyers and swapped in "dentist."
The humor of only a couple depend on a dentist being in the story.

If you've ever heard a Jewish, Blond, Italian, Irish, Blond, Libyan, Catholic, Mexican, Polish, Australian, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of dentist jokes is for you. In this not-so-original book, *The Best Ever Book of Dentist Jokes*; *Lots and Lots of Jokes Specially Repurposed for You-Know-Who*, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. The book of dentist jokes is so unoriginal, it's original. And, if you don't burst out laughing from at least one dentist joke in this book, there's something wrong with you. This book has so many dentist jokes, you won't know where to start. For example: Why do dentists wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** A dentist and his wife were sitting around the breakfast table one lazy Sunday morning. The dentist turned to his wife and said: "When I die, I want you to sell all my stuff." "Why would you want me to do that?," asked his wife. "I figure that you'll eventually remarry, and I don't want some asshole using my stuff," replied the dentist. The dentist's spouse said: "What makes you think I'd marry another asshole?" *** Did you hear about the dentist who wore two jackets when he painted his house? The instructions on the can said: "Put on two coats." *** Why do dentists laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
