the description in its entirety but this book is horrible. I ordered it as a gift for a dear Geologist friend and am extremely disappointed. I was so excited to give it to her and grateful I didn't ship it directly. The jokes are for the most part tasteless, tacky and have absolutely nothing to do with Geologists. Don't waste your money or time. 0 of 0 people found the following review helpful. Can't spew it better. By B. J. Walker Do not buy this. See the first review. Can't spew it better.

If you've ever heard a Jewish, Italian, Irish, Libyan, Catholic, Mexican, Polish, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Geologist jokes is for you. In this not-so-original book, *The Best Ever Book of Geologist Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who*, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. *The Best Ever Book of Geologist Jokes* is so unoriginal, it's original. And, if you don't burst out laughing from at least one Geologist joke in this book, there's something wrong with you. This book has so many Geologist jokes, you won't know where to start. For example: Why do Geologists wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** An evil genie captured a Geologist and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Geologist brought a car door, because if it got too hot she could just roll down the window! *** Did you hear about the Geologist who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." *** Why do Geologists laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it. ***
