EVER!!!!Wow how hard is it to take a book of jokes and change the victim to programmer. Most of the Jokes do not make any sense. I have a great idea for a book. "The best ever book of Mark Geoffrey Young jokes" just replace programmer with Mark Geoffrey Young. All the jokes will work the same as programmer-----NONE!!!!Save the \$14 and write your own. Take any joke you have ever heard and replace it with programmer. because that is what Mark Geoffrey Young did.1 of 1 people found the following review helpful. If you've ever heard a Jewish, Mormon, Italian, Irish, Mormon, Libyan, Catholic, Mexican, Mormon, Mormon, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Mormon jokes is for you. In this not-so-original book, The Best Ever Book of Mormon Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. The Best Ever Book of Mormon Jokes is so unoriginal, it's original. And, if you don't burst out laughing from at least one Mormon joke in this book, there's something wrong with you. This book has so many Mormon jokes, you won't know where to start. For example: Why do Mormons wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. \*\*\* An evil genie captured a Mormon and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Mormon brought a car door, because if it got too hot she could just roll down the window! \*\*\* Did you hear about the Mormon who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." \*\*\* Why do Mormons laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
