Mark Geoffrey Young : The Best Ever Book of Nuclear Engineer Jokes: Lots and Lots of Jokes Specially Repurposed for You-Know-Who before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best Ever Book of Nuclear Engineer Jokes: Lots and Lots of Jokes Specially Repurposed for You-Know-Who:

1 of 1 people found the following review helpful. Moldy old jokes written to ridicule nuclear engineersBy zbretMoldy old jokes put forth to ridicule nuclear engineers. People who work hard to bring energy and scientific advancement to the world. Don't bother.

If you've ever heard a Jewish, Italian, Irish, Libyan, Catholic, Mexican, Polish, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Nuclear Engineer jokes is for you. In this not-so-original book, *The Best Ever Book of Nuclear Engineer Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who*, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. *The Best Ever Book of Nuclear Engineer Jokes* is so unoriginal, it's original. And, if you don't burst out laughing from at least one Nuclear Engineer joke in this book, there's something wrong with you. This book has so many Nuclear Engineer jokes, you won't know where to start. For example: Why do Nuclear Engineers wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** An evil genie captured a Nuclear Engineer and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Nuclear Engineer brought a car door, because if it got too hot she could just roll down the window! *** Did you hear about the Nuclear Engineer who wore two jackets when she painted the house? The instructions on the can said: "Put on two coats." *** Why do Nuclear Engineers laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it. ***
