**Mark Geoffrey Young : The Best Ever Book of Real Tennis Jokes: Lots and Lots of Jokes Specially Repurposed for You-Know-Who** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best Ever Book of Real Tennis Jokes: Lots and Lots of Jokes Specially Repurposed for You-Know-Who:

I found this book to be very distasteful. I thought it was more about actual bowling but it wasn't. The book I currently have is called 'Pins and Needlers', The Funny World of Bowling by Steve Cruchon, Bruce Pluckhahn, and Chuck Pezzano. That is the type of bowling book I'm looking for. The book is junk as far as I'm concerned.

This book is nothing more than a lousy re-telling of jokes that previously could NOT be told, because they insulted some ethnic group. In other words, take a joke about Mexicans or Blacks, then substitute the words "Prison Guard," and you suddenly have a joke that insults a specific occupation, rather than some minority. Big deal... Spend your hard-earned money on something else (like your sister's abortion), rather than this un-original piece of garbage.

By Justin  
Vulgar jokes in this book, not appropriate for anyone other than family or close friends. I was horrified when I finally thumbed through the book right before I gifted it. Really had jokes that would be offensive, calling mail carriers stupid or mocking them. Really, the "jokes" were terrible.

If you've ever heard a Catholic, Blond, Italian, Irish, Blond, Libyan, Mexican, Polish, Australian, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Real Tennis jokes is for you. In this not-so-original book, The Best Ever Book of Real Tennis Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. The book of Real Tennis jokes is so unoriginal, it's original. And, if you don't burst out laughing from at least one Real Tennis joke in this book, there's something wrong with you. This book has so many Real Tennis jokes, you won't know where to start. For example: Why do Real Tennis Players wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. \*\*\* A Real Tennis Player and his wife were sitting around the breakfast table one lazy Sunday morning. The Real Tennis Player turned to his wife and said: "When I die, I want you to sell all my stuff." "Why would you want me to do that?," asked his wife. "I figure that you'll eventually remarry, and I don't want some asshole using my stuff," replied the Real Tennis Player. The Real Tennis Player's spouse said: "What makes you think I'd marry another asshole?" \*\*\* Did you hear about the Real Tennis Player who wore two jackets when he painted his house? The instructions on the can said: "Put on two coats." \*\*\* Why do Real Tennis Players laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
