EVER!!!!Wow how hard is it to take a book of jokes and change the victim to programmer. Most of the Jokes do not make any sense. I have a great idea for a book. "The best ever book of Mark Geoffrey Young jokes" just replace programmer with Mark Geoffrey Young. All the jokes will work the same as programmer-----NONE!!!!Save the \$14 and write your own. Take any joke you have ever heard and replace it with programmer. because that is what Mark Geoffrey Young did.1 of 1 people found the following review helpful. Not funny.By David BRepurposed jokes in the form of - If a _____ walked into a bar. Not funny.

If you've ever heard a Jewish, Blond, Italian, Irish, Blond, Libyan, Catholic, Mexican, Polish, Australian, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Therapist jokes is for you. In this not-so-original book, The Best Ever Book of Therapist Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. The book of therapist jokes is so unoriginal, it's original. And, if you don't burst out laughing from at least one therapist joke in this book, there's something wrong with you. This book has so many therapist jokes, you won't know where to start. For example: Why do therapists wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. *** A therapist and his wife were sitting around the breakfast table one lazy Sunday morning. The Therapist turned to his wife and said: "When I die, I want you to sell all my stuff." "Why would you want me to do that?," asked his wife. "I figure that you'll eventually remarry, and I don't want some asshole using my stuff," replied the therapist. The therapist's spouse said: "What makes you think I'd marry another asshole?" *** Did you hear about the therapist who wore two jackets when he painted his house? The instructions on the can said: "Put on two coats." *** Why do therapists laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
