Stephen T. Sonis DMD DMSc : The Best of Dental Humor, 1e (Hanley Belfus Publication) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of Dental Humor, 1e (Hanley Belfus Publication):

1 of 1 people found the following review helpful. Not as funny as I had hopedBy klynnegaWould have been better with more cartoons and quick little quips for patients to look thru while waiting. These are full on stories and are not really that funny. I've actually glued in cartoons to make up for the lack of...10 of 10 people found the following review helpful. And you thought "dental humor" is an oxymoron!By Rishi PopatIf you are looking for hilarious dental jokes, short stories, poems, cartoons, and experiences in the dental chair, then this book is perfect for you. I tried searching specifically for dental jokes online but none existed. Fortunately, Dr. Sonis compiled this anthology of the best of dental humor from professional and mainstream publications like the Journal of American Dental Association and Gary Larson's "The Far Side". I strongly recommend this book for all audiences including dental students, dentists, and of course, us patients. This book makes an excellent coffee table book, or in this case, dentist waiting room table book for a leisurely read and laughter. Overall, the hours of content in this book provides an excellent source of laughing gas at a great value.

A compilation of the best pieces of creative humorous writing from the dental and related literature. Included are

essays, poetry, letters and cartoons.
