Ed Zern : The Best of Ed Zern before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of Ed Zern:

0 of 0 people found the following review helpful. My husband remembers Ed Zern stories from Field and Stream ...By BVOMy husband remembers Ed Zern stories from Field and Stream from over 50 years ago. I hope he enjoys this collection. He may have to use a magnifying glass. The print is painfully small.0 of 0 people found the following review helpful. My review regarding " The Best of Ed Zern".By john henscheI rate it as four and a half stars.If one is familiar with Zern's style as a writer, this is not to be missed.It covers all the bases in humor, insight and the humor experience.If you are not familiar with his writing, now is the time to remedy that.One truly leaves , "Exit Laughing".0 of 0 people found the following review helpful. Ed Zern is an author everyone must read.By Wayne FishThis book is an absolutely perfect primer for any one unfamiliar with Ed Zern's work. Even though some pieces are quite old, they stand the test of time. These stories are as zany as a Marx Brothers movie.

This rich, full compendium includes selections from Ed Zern's previous books, many of his memorable Nash auto ads, and various short gems -- such as his delicious "Review of Lady Chatterley's Lover" (found wanting because there is too little information on the life of a rural gamekeeper). There are also major articles and a rich selection of his best "Exit Laughing" columns. Every serious sportsman with a funny bone will want this new edition of a great book -- the essential Zern.

"A treasure trove of Ed Zern's hilarious columns, articles and ads, and book selections."--"Outdoor Life"
From the Back Cover
This rich, full treasury of the best writings of America's finest outdoor humorist includes selections from Ed Zern's previous books, many of his memorable Nash automobile ads, and various short gems - such as his delicious "review" of Lady Chatterley's Lover (found wanting because there is too little practical information on the life of a rural gamekeeper). There are also a group of major articles and a hearty helping of his best "Exit Laughing" columns. Every serious sportsman with a funny bone will want this new edition of a great book - the essential Zern. (7 1/4 x 9 1/2, 324 pages, illustrations)
