**Colleen Kenefick : The Best of Health Professions Humor, 1e** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of Health Professions Humor, 1e:

This book is intended for all health care professionals who are interested in enjoying a humorous moment, but especially for those in the allied health fields. More than a collection of articles, this book highlights common themes across all health care disciplines, expressing a collective understanding regardless of author's occupational choices, and demonstrating that humor is a necessary part of their working lives.
