Helen Walasek : The Best of Punch Cartoons: 2,000 Humor Classics before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Best of Punch Cartoons: 2,000 Humor Classics:

2 of 2 people found the following review helpful. The best of the best of the best By N. Flowers The best of the best of the best. No home should be without a copy. "I keep thinking it's Tuesday." 5 of 6 people found the following review helpful. Hilarious Coffee Table Book By BookMixer I read Punch for about 25 years, every week, and I have about dozen small cartoon books published by Punch, together with an actual contemporaneously-bound copy of 1890. The Best of Punch Cartoons: 2,000 Humor Classics is a great coffee table book. Printed on fine paper, in an expansive format, there is unexpected hilarity on each page. The cartoons cover several centuries, and the older cartoons can be surprisingly funny and show that somethings change and others never do. As a coffee table or family book. The Best of Punch Cartoons, 2,000 Humor Classics will keep guests of family laughing everyday for a long time to come 2 of 2 people found the following review helpful. A Must For The Single Panel Cartoon Fan By Mark Thompson Wonderful collection of single panel cartoons. A full history of the talented artists of this sorely missed British humor magazine. Excellent companion to the New Yorker cartoon collection The Complete Cartoons of the New Yorker Highly recommended.

Collected in this hilarious anthology are some of the most side-splitting cartoons ever published in one of the world's most noted humor magazines. Each of the cartoons is arranged in chronological order dating back from Punch's first appearance in 1841 up through contemporary issues. Packed with superb gags and beautiful artwork by some of the finest artists of the past two centuries, this is an essential anthology for any fan of cartoons, visual humor, or of the legendary Punch magazine.
