Apparently though, whoever edited for this CD decided the funniest bits were the raunchiest bits. My in laws could not finish the CD, they were so offended by it.0 of 0 people found the following review helpful. Still Funny After All These YearsBy Susan SmithAges well - even though it's no longer "current events" the panels and guests are still excruciatingly funny.0 of 0 people found the following review helpful. wait wait seems fun on radio so i got these cds to enjoy ...By Matthew T. The first Wait Wait . . . Don't Tell Me! collection focused on the best of the "Not My Job" segment of the program. This second collection skims the cream off the entire archive of the show, with selections from "Who's Carl This Time?" "Lightning Fill in the Blank," "The Listener Limerick Challenge," "Not My Job" and more. Panelists include author and humorist Roy Blount Jr., author and radio anomaly Tom Bodett, syndicated advice Amy Dickinson ("Ask Amy"), journalist P.J. O'Rourke, Washington Post columnist Roxanne Roberts, Boston Globe writer Charlie Pierce, comedian Paula Poundstone, and television personality Mo Rocca.

“A dazzling two-hour comedic tour de force.”
