Recommended for people with connections in Cascade. 2 of 2 people found the following review helpful. Delicious By TI thought I was the only one out there who fully appreciated the taste of this most misunderstood animal. This book contains all my family recipes plus others that I have never had the pleasure to sample. This book made my holiday catering the talk of the town. A MUST for any culinary artist. 0 of 0 people found the following review helpful. Silly Fun! By Donna Munsel My only complaint is that this self-published tongue-in-cheek gem is too short!! I found a copy tucked in my father's books; I wonder if the author has penned other "cookbooks"?

Very good condition soft cover.
