Old Testament based Coloring Book – filled with 92 pictures and sayings – printed on one side of pageBy iiiireader[[VIDEOID:5e338c7a6155ff0580d4601906d8e460]]“The Bible Coloring Book” is the combined artistic efforts of two artists, Tammie Trucchi and Claudia Wolf. The artwork is a combination of Old Testament Bible verses (Ms. Wolf) and drawings that depict famous scenes from the Old Testament (Ms. Trucchi.) The translation used in this book is from the King James Version of the Bible. There are so many designs in this book, it is a real pleasure to shift through and decide which one to color next. The designs have intricate details and for the text illustrations, I found that using my Prismacolor Verithins worked best. I was able to

get the control that I wanted and get into the smallest parts of the font. I am really enjoying the coloring book. It is a beautiful way or directing my Bible reading. When I am coloring a scene or a verse, I pick up my Bible and read through it beforehand. That way I am immersed in the story and teaching while I am coloring. I have used a 365 day Bible before and find that this book is somewhat similar. I am coloring one scene and one verse per week and letting it direct my studies. I sincerely hope these artists will publish a similar book for the New Testament to round out my coloring and Bible study at the same time. The designs are printed on one side of non-perforated white paper. The book is in a smaller format than most coloring books. The designs all stop well before the binding. The scenes have a framing line around them and the verses have all elements complete on the page. I really appreciate this care in design. It gives me a natural stopping point and saves me time and ink. I always try to mention when an artist takes this extra step. The binding is glued rather than sewn so you will have to cut pages out if you wish to remove them from the book. I was easily able to break the spine in order to get the book to lay flat. My tests with various coloring mediums (see below for the full list) showed that all alcohol-based markers, water-based markers, India ink pens, and gel pens leaked through or cast a color shadow on the back of the page. My coloring pencils also showed a shadow but worked well with the paper. The soft lead pencils went on thick and blended well. The hard lead pencils left an indent at the back of the page. I am using a blotter page behind the page I am working on to keep ink and indents from harming the rest of the book. These are the coloring medium that I use for testing. If there is something else you feel I should be testing, please let me know and I will see if I can add it to my growing pile:

Markers: 1) alcohol-based – Copic Sketch, Prismacolor double ended markers (brush and fine point), Sharpies (fine and ultra-fine) Bic Mark-its (fine and ultra-fine) and 2) water-based – Tombows dual end markers (brush and fine point), Stabilo 88, and Staedler triplus fineliners

India Ink: Faber-Castell PITT artist pens (brush tip)

Gel Pens: Sakura, Fiskars, Uni-ball Signo in the following sizes - 0.28/0.38/0.5/1.0 and Tekwriter

Coloring Pencils: Prismacolor Premier Soft Core, Derwent Colorsoft, Prismacolor Verithins, and Faber-Castell Polychromos4

By Stefanie G. This coloring book combines bible quotes and beautiful line art which makes it not only a great coloring book but also spiritual and educational if doing it with a child or as part of a religious education program. I love coloring type so the pages that include bible verses will be the first I color. The illustrations that depict stories from the bible range from intricate to one that have large spaces so that both types of colorists will enjoy this collection.
