Larry Steve Crain : The Bible Fun Book No. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bible Fun Book No. 1:

5 of 5 people found the following review helpful. A Great Resource for Sunday School Teachers, Kids Pastors and Parents By C. Miller I was blown away with this resource for the kids that I work with. First, the author has given copying permission to anyone who purchases it. So I can take it and use it for any non-commercial purpose that I want. I also like that it is 94 pages of great content. There are connect the dots, art starts, codes, and a complete set of the ABC's for kids to work through, each with its own scripture. As a teacher and former children's pastor, I give this my full recommendation. 1 of 1 people found the following review helpful. A Wonderful Tool For Developing Disciples By Marlene Dean I bought a Bible Fun Book for each of our Sunday School classrooms. Teachers make copies of the pages to distribute to children prior to and/or post their lessons. The children LOVE them. We had a

marriage conference at our church earlier this month. Over 40 children were cared for over the course of two days. As part of the children's activities, copies of pages from the Bible Fun Book were distributed with crayons and pencils. They were very appreciated. As a children's ministry director, I feel confident in recommending this book to my teachers and supplying it to our students. It is a wonderful supplement to our Christian curriculum. 3 of 3 people found the following review helpful. Fun memories lasting lifetime By JjillI had the original Bible Fun Books as a child. Some of my best memories were getting the latest edition as they were released. I highly recommend these. What a gift to be able to make copies and use for classes and small groups.

The Bible Fun Book No. 1 contains ninety-four pages of mazes, dot-to-dot drawings, codes, finish-the-picture challenges, and color-with-crayons illustrations. ABC memory verses from the Bible will help children learn twenty-six Bible verses while solving puzzles and enjoying using crayons. Purchase of this book entitles you to copy pages from this book and distribute those copies to your children, Sunday school class members, and elsewhere.

About the Author Larry Steve Crain lives in Southern Pines, North Carolina, with his wife, Carol. He worked as an art teacher, an illustrator for the US Army, and as a carpet designer and colorist. He authored ten Bible Fun Books, published from 1976 through 1983. This book contains some of his drawings from those books.
