Greg Gutfeld : The Bible of Unspeakable Truths before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bible of Unspeakable Truths:

Someone needs to speak these truths more often.By Roger MunyonIn these mini-essays, Greg gives us bite-size bits of his thinking that have you laughing at one paragraph and mulling things over mentally in the next. Still can't climb onto the Libertarian bandwagon yet, but Greg does show us that certain lines of logical thought go beyond parties. Human nature and thinking that's not tied up in worthless

emotions find a lot of us wanting the same things. Being able to get along and be productive. Good goals to aspire to. 0 of 0 people found the following review helpful. I like Greg's humor and easily understandable way of presenting political/philosophical topics. Educating and entertaining at the same time. Good gift for those friends who say they hate politics. This has a much better chance of holding their attention than many of the books from other pundits. 0 of 0 people found the following review helpful. If Only We Could Figure Out a Way to Get This Into the Hands of the People Who Need To Read It.By Arlis T.I've been watching Gutfeld for years. These days it seems every FNC personality has a book for sale, but Greg is consistently worth reading. Maybe he learned something about writing when he was editor at Men's Health Magazine.

From Greg Gutfeld --New York Times bestselling author of *The Joy of Hate* and host of Fox News's *The Five and Red Eye* -- comes a significantly less hardcover-y, more paperback-y version of his classic *Bible of Unspeakable Truths*. Greg Gutfeld, the acclaimed host of the popular, nightly Fox News show *Red Eye*, has packed this book full of his most aggressive (and funny) diatribes -- each chapter exploring *Unspeakable Truths* that cut right to the core and go well beyond just politics. Greg deconstructs pop culture, media, kids, disease, race, food, sex, celebrity, current events, and nearly every other aspect of life, with *Truths* including but not limited to: "if you're over 25 and still use party as a verb, then you're beyond redemption," "the media wanted bird flu to kill thousands," "attractive people don't write for a living," "death row inmates make the best husbands," and "the urge to punch Zach Braff in the face is completely natural." With an irreverent voice, incredible wit, and a firm take on just about everything, this is a manual for how to think about stuff, by a guy who has thought about precisely that same stuff. And, even if you disagree with Greg, this book will make you laugh--guaranteed.**Not guaranteed

"Greg Gutfeld is the funniest person on TV. Read this book immediately and see for yourself." -Ann Coulter
"Greg Gutfeld is a brilliantly funny writer and social commentator. This is the first time anyone has asked me to write a "blurb" for their book. It's even less fun than I thought it would be." -Jim Norton, New York Times bestselling author of *Happy Endings* and *I Hate Your Guts*
"Greg Gutfeld is uproariously funny and is one of my favorite guests." -Dennis Miller
"Even though Greg Gutfeld was once rude to me on the phone because Time Warner screwed up his home cable system, he is still the funniest, most incisive political writer on the right. Trust me, you don't want him setting his sights on your hypocrisy and public failings." -Andrew Breitbart, founder of BigGovernment.com and Breitbart.com
"As a rule I never read books I blurb, but I couldn't resist with this one. I even gave it to my 13-year-old son, who pored over it slack jawed all afternoon, thus warping him for life. It's that subversive and good." -Tucker Carlson
"There's a reason that more people watch Greg Gutfeld's hit show *Red Eye* at 3:00 AM than watch most of the other cable news networks in prime time--he is one of the most creatively funny people on television. Irreverent, over the top, and comedy served up raw is the best way to describe Greg's style. His book is *THE BIBLE OF UNSPEAKABLE TRUTHS* but don't even attempt to convince God that reading this substitutes for daily Bible reading. After reading this, you'll NEED to read the real Bible--but you'll laugh yourself holy reading this one!" -Gov. Mike Huckabee
"Greg Gutfeld is funnier than all the smart people I know, and smarter than all the funny people I know. I don't know what that makes him. But one of the smartest, funniest people I know, is fair to say." -Matt Labash, senior writer at *The Weekly Standard* and author of *Fly Fishing With Darth Vader*
