Adam Long, Reed Martin, Austin Tichenor : The Bible: The Complete Word of God (abridged) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bible: The Complete Word of God (abridged):

As an actor -- it reaches a bit farBy Blake PetitSpeaking as an actor who has done college productions of both "The Complete Works of William Shakespeare" and "The Complete

History of America," let me start by saying this script is just as funny, if not funnier, than the previous two. However, speaking as someone who is performance-minded, I gotta think this one goes a bit overboard. It's not the controversy -- heck, I'm Catholic myself and the jokes don't bother me -- but some of the bits included require a bit more skill than your average person has. What if no one in your production can play the accordion? Or the piano? Or balance a ladder on his chin? And while I enjoyed learning to make balloon animals for "The Complete History of America," who the heck do you call to teach you how to juggle flaming torches? Still, it really is a fun script and I only wish I had the opportunity to watch these guys perform it in person. 0 of 0 people found the following review helpful. Refreshingly funny. By Mama DLoved the play - had a chance to see it performed in San Diego, but could not attend. My students are using portions for Speech competitions. Reads witty and fast-paced. Need to lighten up to enjoy - stop taking religion so seriously at times...I'm sure HE has a great sense of humor!

Book by Adam Long, Reed Martin, Austin Tichenor

There is no doubt about it, these three lads are in a league of their own when it comes to vivid originality in the show... They have sublime moments of surreal theatricality.... Sly minds are at work throughout. Posing the theological question: Does God have a sense of humor? they prove that undoubtedly he has. Why else would he have left the Children of Israel to wander the Middle East for forty years and then give them the only bit of land with no oil on it? -- Jack Tinker, Daily Mail (London) That apocalyptic roller-coaster of sex, violence, murder and miracles--the Bible--has been abridged by three American sinners. And verily this blasphemous, hilarious zip through the Old and New Testaments will henceforth be proclaimed as THE BIBLE: THE COMPLETE WORD OF GOD (abridged).... Not even the most somber, uptight Scientologist could take offense at this snappy, slick and utterly entertaining show. -- Sunday Express (London) `In the beginning,' a godlike voice informs us, `there was chaos.' But why stop there? The disorder continues throughout the middle and end of THE BIBLE: THE COMPLETE WORD OF GOD (abridged) until the neat rows of audience have dissolved hysterically into the aisles. In spoofing the book they call `the greatest story ever accepted as fact,' The Reduced Shakespeare Company combines shtick, wordplay, physical humor, sight gags, audience participation and jokes so old.... ...gleefully give in to the giggles and the guffaws and, indeed, the buffoonery is hard to resist. --Ron Weiskind, Pittsburgh Post-Gazette That apocalyptic roller-coaster of sex, violence, murder and miracles--the Bible--has been abridged by three American sinners.
