It really is a Big book!By My OpinionWith 104 selections, we should have no trouble finding skits for our church youth for a long time! The skits are clearly indexed by topic, Bible character and verse, making it easy to find one to fit just about any need. The typeface is clear and large, making photocopying (yes, allowed!) easy. They are funny, although some of the humor is a bit sarcastic, so the wording may need to be toned down for younger audiences. Overall, this is a good addition to our church library.1 of 1 people found the following review helpful. Great skits and plays for kidsBy Char AlfaroI sometimes run out of ideas for mid-week services. This gives the kids an opportunity to express how they see the scripture, and their questions about it. It is non-academic, meaning it is not like a worksheet activity which loses most kids. Kids really like acting out Bible Stories mid-week

when they are overwhelmed with school and written work. This is fun and kids learn as well.

This reproducible resource combines all skits from the popular Bible Skit Book and More Bible Skits. The Big Book of Bible Skits will enhance any Bible lesson, allow you to use a skit to tell familiar Bible stories in fresh ways, or to illustrate the contemporary application of a Biblical truth. Use anytime you need a fresh, fun, interactive way to tell or review a Bible story.
