I read the first half super quickly because it was so awesome. Then I forced myself to slow down so it wouldn't be over. I re-read a bunch of the tweets and laughed again at every single one. If you only have a few minutes to sneak away from your kids, this is how you should spend it.

Following the enormous success of their first book, *The Big Book of Parenting Tweets*, Science of Parenthood and Kate Hall are back with *The BIGGER Book of Parenting Tweets*, featuring EVEN MORE of the funniest parents on Twitter! Venturing deep into the Twitterverse in search of even more hilarity, those intrepid editors discovered more than FIFTY of the funniest comedians who just happen to be parents. Together with still more of Science of Parenthood's signature cartoons and special "behind the tweets" stories, Book Two is BIGGER ... it's BOLDER ... and gosh darn it, people LIKE it! Praise for *The Big Book of Parenting Tweets*: "The perfect book for parents who want -- NEED -- to laugh, but don't have time to sit down and read a daunting book. Grab it, head to the bathroom and lock the door until they find you!" — Jill Smokler, author of *Confessions of a Scary Mommy* "The Big Book of Parenting Tweets dishes up bite-size nuggets of funny. Impossible to read just one." — Jen Mann, author of *People I Want to Punch in the Throat: Competitive Crafters, Drop-Off Despots, and Other Suburban Scourges* "This book is HILARIOUS. Being a parent is a frustrating, hilarious, weird, wild experience. This book captures some of the best of our snark. You need it. You do." — Nicole Knepper, author of *Moms Who Drink and Swear* A terrific read, featuring some of the funniest (and most honest) parents in the Twitterverse... my go-to gift for new parents! — Johanna Stein, author of *How Not To Calm A Child On A Plane and Other Parenting Advice from a Questionable Source* Here is just a peek at some of what you'll find inside: I don't believe in spanking my children, but I do believe in flipping them off from the other room. — Jewel Nunez (@OneFunnyMummy) Me prying a toy hammer from my 4yo: "Stop. It's not hammer time!" Parenting is lonely when nobody's there to hear your outdated references. — Full Metal Mommy (@FullMetalMommy) The saddest thing I have ever seen is watching my son trying to carve a Playstation 3 out of a giant lump of coal on Christmas. — Abe Yospe (@Cheeseboy22) All restaurants should have a \$200 cover charge for babies. — Rodney Lacroix (@Moooooog35) No, honey. The deer is just sleeping. They tied him down so he wouldn't fall off the top of their Ford Explorer. — Linda Doty (@LindaInDisguise)
