Adrian Besley : The Biggest Book of YouTube Videos Ever! before purchasing it in order to gage whether or not it would be worth my time, and all praised The Biggest Book of YouTube Videos Ever!:

Experience YouTube like never before through the world's biggest and best guide to the most talked-about, shared and commented-on clips of all time.

About the Author Adrian Besley is the author of the humorous titles *The Dangerous Book for Idiots*, *Who Do You Think You Are Kidding Mr Klinsmann?* and *Dr Fatkins Revolutionary Diet*, along with *Every Step Counts* - a walking fitness guide, books on YouTube - and the best-selling *Superstars of the World Cup 2006*, and has penned episodes of *The Wombles* and *Upstairs Downstairs Bears*.
