**Elizabeth Hilts : The Bitch at Work** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bitch at Work:

We were too nice and people who worked with is knew it! By learning to say "I'll think about it" she said she learned not to say yes to everything that came my way asking if I could do this, or that, tell so and this message when I see him her as if my own work was so light that I would be sitting down fiddling my finger doing nothing!! But since they came around oh god bless them now I have found something to occupy my time with. Umm no! I will recommend to someone like myself. Pretty much liked it all

but it did seem author was telling a lot of other people's stories.0 of 0 people found the following review helpful. No meatBy valarieNo real advice, mostly fluff. I don't see that this book would make a difference at all. It's also short.0 of 0 people found the following review helpful. Five StarsBy Oscar WildeLoved this book! I laughed out loud. I plan on purchasing it for co-workers at Christmas.
