Darron Cardoso : The Bitchy Waiter: Tales, Tips Trials from a Life in Food Service before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bitchy Waiter: Tales, Tips Trials from a Life in Food Service:

7 of 7 people found the following review helpful. Good for your appetite!By Marinell KephartQuick and enticing read! More than enjoyable, down right satisfying!3 of 3 people found the following review helpful. It's the "kitchen confidential" for waitersBy Kim HaasarudA "must read" for anyone that has been or is currently working as a waiter.

Fun, endearing, smart ... And real. A look at what happens underneath the white tablecloth. It's the next "kitchen confidential" as a waiter. 3 of 3 people found the following review helpful. AMAZING! Stayed up half the night because I didn't ...By MAMAZING! Stayed up half the night because I didn't want to put it down. Read it all in one night. Hilarious re-telling of service industry stories. Would recommend to absolutely anyone in the industry or anyone who just wants a laugh.

Millions of people have, at some point in their lives, waited tables. Some only did it in college, or got out by sheer determination, good luck . . . or suicide. Others took it on as permanent employment. And many remain haunted by nightmare scenarios where they are the sole server in a restaurant packed with complaining patrons. For all those disenchanted current and former food service employees, Darron Cardoso has your back. His career began at a Texas steakhouse in 1984, and since 2008 he's vented his frustrations in the popular blog *The Bitchy Waiter*. A snarky mix of David Sedaris, Anthony Bourdain, Erma Bombeck, and Mo Rocca, Cardoso distills 30 years of food service into dark, funny tales—about crazy customers, out-of-control egos, and what really goes on in that fancy restaurant—that anyone who worked in the industry will recognize and relate to.

“Cardosa does for wait staff what Anthony Bourdain did for kitchens: he exposes the ugly side of food service from the perspective of those working on the front lines. And he puts the potential restaurant customer on notice that someone is watching and recording their bad behavior.” —Shelf Awareness
