John Wilkins : The Boastful Chef: The Discourse of Food in Ancient Greek Comedy before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Boastful Chef: The Discourse of Food in

Ancient Greek Comedy:

This book explains the importance of food to ancient Greek comedy: it was a medium through which comedy could represent the material, social, agricultural, political and religious worlds to the Greek city-state. The text also contains translations of hundreds of comic fragments; and it reassesses the division of comedy into Sicilian and Attic Old, Middle, and New.

'Offers a more multi-sided approach to ancient cooking and its practitioners than any other available' Simon Goldhill, Times Literary Supplement 'A scholarly book' Simon Goldhill, Times Literary Supplement 'As an examination of ancient "discourse" on food, the book is rich and often perceptive.' Bryn Mawr Classical 'The Boastful Chef is an erudite journey through many aspects of ancient comic literature.' Bryn Mawr Classical About the Author John Wilkins is at University of Exeter.
