1 of 1 people found the following review helpful. Looks "Scholarly"By Melissa SueThis book is hilarious! I purchased it for a Christmas present for a college student, and he thought it was great! The edges of the paper are gold, and it looks like a scholarly text. It's got everything you'd want to know about beer pong in it, and it's written in such a serious manner that it's even more hilarious. From cup placement charts to throwing tips, it's a definite must have for any true beer pong aficionado.1 of 1 people found the following review helpful. Beer PongBy guckianaBought this as

a joke gift for my husband, but he has ended up loving it! Having our first beer pong tourney this weekend! Great buy!0 of 0 people found the following review helpful. Four StarsBy CustomerCool gift for the party animal, purchased used, great condition!
