Hugh Morrison : The Book of Church Jokes: A Collection of (Mostly) Clean Christian Chuckles before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Church Jokes: A Collection of (Mostly) Clean Christian Chuckles:

Why are Anglicans such bad chess players? Because they don't know the difference between a Bishop and a Queen. Did you hear about the new liberal branch of the Church of England? It has six commandments and four suggestions. This book is packed with (mostly) clean, good-natured jokes, riddles and funny stories old and new about clergy, churches and Christianity. Get into the humour habit and prepare yourself for the 'laughter-life'! Unlike most church joke books, it is from a British rather than American perspective, but it will appeal to anybody looking for jokes for sermons, parish magazines etc or who would just like a good laugh at church life.
