Souder This book about a cat, not just any cat, but Hunter S. Thompson's cat who was named Jones for the sake of this book. And not just written by any old author but Ralph Steadman, who is known for doing all the illustrations for Hunter S. Thompson's books, but especially for *Fear and Loathing in Las Vegas*. A delight to read and examine the many moods of Jones the cat. A quick read, under one hour. A very nice hardcover book. A nice gift or something for yourself. 0 of 0 people found the following review helpful. Five Stars

This was a very quirky and fun book! My son is a fan of Ralph Steadman, and this was a nice gift for him.

The author of *The Grapes of Ralph* has produced an irresistible combination of words and images that brings Jones the cat vividly to life. In *The Book of Jones*, Steadman captures the special grace of cats and the strange power that they possess to enchant us. Line art throughout.

About the Author
