Hilarious makes a great coffee table bookBy Amanda InouyeI don't even like SPAM but got this book for my husband that does. I leave it on the coffee table so that guests can thumb throw it - it's really funny I never knew that stuff like meat augers exist.1 of 1 people found the following review helpful. Spam, spam thank you maam.By G. BlakeI enjoyed the book and appreciated the tongue in cheek humor. Bad pun I know. It gets spam out into the public eye and hopefully onto the dinner plate. I'm originally from Austin, Mn. the home of Hormel, rhymes with normal, and as a kid I didn't like spam. When I started working on a farm I was served fried spam and loved it. Have eaten it ever since. Even liked the food in the army. So spamlike. The

book brings the joy of spam into the light of day. Spammites unite. Fun book that kids will love.
