**Chas Saunders, Peter J. Allen : The Book of the Gods: 600 Gods from 20 Pantheons Explained** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Book of the Gods: 600 Gods from 20 Pantheons Explained:

3 of 3 people found the following review helpful. Good Gods!By Amanda Freeman 'TeaNecromancer'I have been a

student of Mythology most of my life and I constantly scour bookstores and websites for any new nugget of mythical information I can absorb. Sadly most writings on this subject are dry and while filled with exciting information works better as an insomnia cure. Imagine my delight when I discovered Godchecker while researching some random deity...finally a source of random, obscure, and well known gods that is a blast to read! I was ecstatic when I found out about their book and was not let down! Having their information in a hard copy for my collection is great, plus its small enough to fit in my (large) camera bag so I can whip it out and bombard poor strangers with random gods! The book is well organized by areas of the world and the illustrations are amusing. I would recommend this book to anyone who enjoys Mythology but finds most books on the subject too dry. It is a huge inspiration to my art and I hope for a book two in the future!

2 of 2 people found the following review helpful. Oh My God  
By D. J. Russell "Book of the Gods is dazzling in its completeness. It contains answers to not only the questions I've always wanted to ask, but also to many questions I had never considered asking. The writing style is often quite funny as well."

0 of 2 people found the following review helpful. Not bad!  
By Bev Allen "If a bit sexist at times, it is still funny, and full of pretty good information. If nothing else, it's a fun resource to "jump" you to more (serious) sources.

A smart, funny mythological encyclopedia featuring a fabulous array of deities from all across the world—Africa to Oceania, Aztec to Balti

About the Author Chas Saunders is a cartoonist and a writer. Peter J. Allen is a freelance designer and writer. Together they have been running [www.godchecker.com](http://www.godchecker.com) for more than 10 years.
