Everyone's life is governed by an internal code of conduct. Some call it morality. Others call it religion. But Bros in the know call this holy grail The Bro Code. Historically a spoken tradition passed from one generation to the next, the official code of conduct for Bros appears here in its published form for the first time ever. By upholding the tenets of this sacred and legendary document, any dude can learn to achieve Bro-dom.

About the Author Barney Stinson is awesome. He works for a powerful bank in New York City but somehow finds time to “suit up” and help the less fortunate, in particular his lovelorn and all together pathetic bro Ted Mosby—seriously, that dude’s got probs. When Barney’s not staging private bikini calendar shoots, test-driving tanks, or elbow-deep in another legendary activity, like riding a tiger bareback or blowing up a guitar, he can be seen on the hit CBS show How I Met Your Mother with his friends Ted, Robin, Lily, and Marshall.
