LinkVery interesting book

and a real must have for the fan of both English bull terriers and American Pit Bull Terriers. I have a large collection of dog books, and this is one that I am happy to have bought! 10/10

This fascinating book contains a collection of out of print articles from the pens of well known writers concerning the history, origins and anecdotes of the Bull Terrier. The book's one hundred and seventy pages, complete with illustrations, contains many chapters concerning :- History of the Breed - Showing - Breeding - Dog Fighting - Rat Pits - Ear Cropping - Miniature Bull Terriers - Coloured Bull Terriers - Pit Bull Terriers - Fighting Rules - Origins - etc. It is essential reading for any Bull Terrier enthusiast and contains much information that is still useful and practical today. Many of the earliest dog books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Read Country Books are republishing the most important sections of some of these classic works in affordable, high quality, modern editions, using the original text and artwork.
