Kevin Duncan : The Business Bullshit Book: The World's Most Comprehensive Dictionary (Concise Advice Lab) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Business Bullshit Book: The World's Most Comprehensive Dictionary (Concise Advice Lab):

If you work in business, the chances are you have fallen under the poisonous spell of business bullshit and jargon. Very few of us seem able to avoid "reaching out," or "walk the talk," or "shifting paradigms," or "think outside the box." No longer solely the province of management consultants, investors and MBA types, business gobbledegook has mesmerized the rank and file around the globe. Help is at hand with *The Business Bullshit Book*, aptly described as "the world's most comprehensive collection" of the top 2,000 business terms and jargon that have infected us all. Stay sane (and keep your colleagues and customers from suffocating you) from the business bullshit madness by having this dictionary by your side. Based on his wide and extensive experience with business bullshit, Kevin Duncan deciphers the terms and language of modern-day business speak.
