Mabel Maney : The Case of the Not-So-Nice Nurse: A Nancy Clue and Cherry Aimless Mystery (Maney, Mabel) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Case of the Not-So-Nice Nurse: A Nancy Clue and Cherry Aimless Mystery (Maney, Mabel):

2 of 2 people found the following review helpful. Perfect fun book for grown-up Nancy Drew readers. By Rae SharAny Nancy Drew fan will be awe struck and find totally new situations with the same genuine original intended fun. Whether you had read the childhood books or not you are in for a new, extraordinarily 'gleeful' time! I laughed by myself 'til it hurt! The premise of the book may be unexpected for the heterosexual person but let me tell you don't pass it up because you will be missing something very special and completely entertaining. 1 of 1 people found the following review helpful. Too funny By Dixie Very clever and, as anyone familiar with the Ames and Drew series will agree, spot on in terms of the vocabulary, style, etc. I always thought it was weird that Nancy Drew's best friends were Bess (the femme) and George (!) the butch. 3 of 3 people found the following review helpful. Laugh Until You're Gay By Valley Gay Press Book Review Valley Gay Press Book Reviewer: Liz Bradbury Here's what it would have been like if Carolyn Keene had written Nancy Drew stories set in a 1950's gay and lesbian world, where the all the unattractive people were far right heterosexual bigots and all the heroes were GLBT. Read this series of three hilarious books that match nurse Cherry Aimless with Nancy Clue, discovering mysteries in caves, convents and under the sheets, when you need to escape. The Hardy boys even make a flaming appearance in the third book. Funny, even if you haven't read the old series, but best if you have.

Nurse Cherry Aimless first vacation from her hectic career in a big-city hospital takes her to visit her spinster Aunt Gertrude in thrilling San Francisco. Wistfully trading her starched white cap and dress for a bright yellow poplin frock with a flared skirt, young Cherry takes to the highway, never imagining the gay adventures that await her. Imagine her surprise to learn that Aunt Gertrude has been kidnapped! Armed only with the contents of her purse, and with the help of new chums Midge, Velma, and a dashing female police officer named Jackie, the plucky but innocent Cherry must save her aunt, find a gaggle of missing nuns, and stop an illegal land grab all under the warm gaze of her hero, girl detective Nancy Clue. And when the queer caper has ended, will there be a chance for Nancy and Cherry? Mabel Maney's camp classic *The Case of the Not-So-Nice Nurse* has been beloved by readers since it was first published in 1993. This sparkling parody of 1950s girl adventure stories will make you laugh out loud and long for a lemon Jell-O mold. Golly, its a good time!
