Max Cryer : The Cat's Out of the Bag: Truth and Lies about Cats before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Cat's Out of the Bag: Truth and Lies about Cats:

We cannot get enough of cats: from ancient times they have occupied a special place in many different cultures around the world. They have also generated a fascinating array of words, expressions and observations, as well as poems, books, movies, cartoons and artworks. In this witty and entertaining book, Max Cryer celebrates cats and all they have given to us. He describes the many words and expressions they have inspired, from 'catnip' and 'catwalk' to 'the cat's whiskers' and 'raining cats and dogs', as well as famous cat characters like Garfield, Felix the Cat, The Cat in the Hat and Puss in Boots, songs as varied as 'What's New Pussycat?' and 'The Cats' Duet', and poems like 'The Owl and the Pussycat' and 'Hey Diddle Diddle'. The cats owned by famous celebrities are described, from Elizabeth Taylor's 'Jeepers Creepers' to Dr Johnson's 'Hodge'. In other chapters he explores cats' attributes, the strength of their night vision and sense of smell, their sleep requirements, life expectancy and much more. Surprising facts - and spurious fictions - can be found on almost every page. Everything you ever wanted to know about cats can be enjoyed in this magnificent compendium of a book. It is a delight from beginning to end to be read with one on your lap.

"Exploring fascinating facts about cats as well as celebrating their importance in cultures around the world" - NZ Books
