Marty Campbell : The Cattle on a Thousand Hills: Knowing the Real God Who Cares about Our Real Lives before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cattle on a Thousand Hills: Knowing the Real God Who Cares about Our Real Lives:

1 of 1 people found the following review helpful. Insightful short storiesBy Mike DavisI really enjoyed the book, I read it in one sitting. The book is an accumulation of short stories describing ranch life. Marty follows up each story

with a scripture that relates to the story he is telling. Good job Marty. 0 of 0 people found the following review helpful. This a great read. Perfect little mood booster By Chica in Idaho This a great read. Perfect little mood booster. It encourages you to continue to seek God in all situations. My husband who struggles to sit and read, can actually sit and read and absolutely enjoy it.

Everyone who rides through God's creation longs for the romance John Wayne offers from the back of a Hollywood horse. However, the reality of those same folks' ranch lives often hits them in the side of the head like the handle on a squeeze chute. The whirlwind of the modern day cowboy life leaves seemingly little time for praying and even less time for sermons that don't hit home. God needs to be real, and he needs to be found in the everyday, dawn to midnight struggles and joys of true life, cowfeeding, broncstomping folks who live in a world where there are espresso shacks in feedstore parking lots. In *The Cattle on a Thousand Hills*, stories of genuine individuals who live life on the working end of a calfpuller teach lessons that only a real God can provide, set in the real world in which cowboys, horsemen, and ranch wives live. Combining true stories and life lessons with biblical wisdom, this book is at the same time humorous and poignant. Its pages will provide a look at life through God's eyes that can be applied to anyone's life, but especially to the folks who spend their summers cutting hay and their winters feeding it.

About the Author Marty Campbell, his wife, Mandi, and their children, Parker and Crae, minister to the cowboy world through Broken Horn Ranch Ministries, out of Pendleton, Oregon. They have a mission of bringing Jesus to the Western world through Western events and regular fellowship, introducing people to a real God who cares about their real lives.
