I figured he would enjoy something humorous a little more this Christmas and was really surprised. He hasn't been able to put this book down he loves it so much. I know there's not much educational about it, but at least he's reading! I was able to get some good ideas for cooking and throwing parties as well. 0 of 0 people found the following review helpful. Briefly entertaining. By Jared Ragsdale When I first received this book I thought it would be hilarious, and a nice book to have out on the coffee table for people to pick up and thumb through. At first I was slightly amused, but the book really was disappointing. I didn't feel like they put much thought into it and really didn't make it as funny as it should have been. I would not recommend the book to a college student. The book comes across like the "good clean jokes for kids" joke book does. It has an attempt at humor but fails, miserably.

CollegeHumor.com is the National Lampoon of its generation. Since its creation in early 2000, the Web site has grown to become the nation's most recognized comedy brand for young people. With eight million unique visitors a month, quarterly revenues surpassing \$1.2 million, and a successful line of merchandise (from T-shirts to novelties)—not to mention a deal with Paramount to create and brand movies with CollegeHumor's imprimatur—CollegeHumor is truly a franchise in the making. The CollegeHumor Guide to College is a laugh-out-loud depiction of the college experience. Written primarily by two of CollegeHumor's most popular columnists, Ethan Trex and Streeter Seidell, this guide features all-new material not found on the Web site. It also includes helpful advice—the kind you probably won't hear from a college counselor—on an array of subjects, such as food, clothing, parents, dating, sex, drinking, and roommates. Filled with outrageous illustrations, this edgy and irreverent book will be indispensable to all present and future undergraduates.

Sophomoric. But in a good way. (New York Magazine) A gleeful reminder of the hilarity that ensues during the best seven years of your life. (Associated Press) About the Author CollegeHumor.com was begun as an original comedy website in 1999 by Josh Abramson and Ricky Van Veen. Today it is owned by CHMedia. CollegeHumor employs dozens of young performers and comedy writers for cartoons, skits, web series, and more.
