cracks me up, I can still hear my best friend doing the miner bit and the sermon. There are many hours of humor from the past. It won't be for everyone and admittedly I don't "get" all of it because of cultural reference, but I still love it. 9 of 9 people found the following review helpful. Your Comedy Education: By A Customer Terrific. I've just spent the entire weekend listening to certain tracks over and over. The writing is fantastic and the talents of these 4 are really amazing. The characterizations are crystal clear and masterfully layered ("Words...and Things," "TVPM," "Take a Pew" among others) so that for any performer, writer or director, "Beyond the Fringe" is an education. Two of the three CDs were recorded in London and it is interesting to compare them with the third CD, recorded in the U.S. Although I questioned my hormone balances when I paid for the thing, I'm very happy to have it as a part of my collection. For any piano players, Dudley Moore does a wonderful job with humor and music. While some of the sketches aren't nearly as topical as they were in 1961, the time gap serves to clarify the choices of the actors. Even with that, the sketches have aged well. 0 of 0 people found the following review helpful. The best By Ken Watkins So much better than current comedy "offerings". Where is the creative, inventive talent these days? Give this a try - you'll enjoy it!
