A must for golfers who want to spice up their game!By A CustomerThis is a delightful, as well as practical, compendium of over 80 golf side games, wagers, tournament formats, etc. -- all designed to make your next round of 18 holes more fun (and maybe more profitable!). The illustrations, trivia, and overall production quality of this book make it far superior to the older books available on the same topic. Eye-popping cover and fair price (\$9.95) make it a great gift for any golfer. I highly recommend this book
