**Justin Geste : The Complete Book of Outrageous and Atrocious Practical Jokes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Book of Outrageous and Atrocious Practical Jokes:

This hilarious illustrated catalog contains practical jokes from offices, hospitals, colleges, parties, schools, and weddings . . . for in-laws, bosses, scheming colleagues, rude neighbors, and ex-lovers. Plus, much more! Containing pranks and stunts for every occasion and classics from the pantheon of pranksters, *The Complete Book of Outrageous and Atrocious Practical Jokes* will show how to write the memo that will have scheming colleagues hiding under their desks while you squeal with laughter; how your stereo system can be adapted inventively to deal with noisy neighbors, professors, and roommates; how to take the air out of assorted stuffed shirts at dinner parties with creative use of fishing line and insects; and how husbands and wives maintain their version of marital harmony using nail polish and the insinuation of shoplifting.
